

Youth Re-start Place Career Consultation 2017

We provide support for the youth, their guardians, etc. who have difficulties getting information and advice on career options, in order to lead them to choose the appropriate future course by giving specific information about careers.

Private Consultation

※Advance reservation required

Professional counselors, specialized in giving advice on how to move on to the next grade in high school, how to choose careers or how to enter schools, provide private consultations according to the individual situation.

※Private consultation in Chinese, English and Korean languages is available. However, evening session is held only in Japanese.

※Nursery service in Japanese language is available for children from the age of 6 months to under school age. Further details on each consultation will be announced on our website.
